DRINKS MENU

WHAT IS 'THE PERMIT ROOM'?

Everybody who loves Bangalore, can't help but fall in love with the local South-Indian culture!

In true Bengaluru style, The Permit Room (TPR) celebrates the hotchpotch of our city's various culinary influences. Cheery and colourful, TPR is ideal for a relaxed evening where colloquialism finds its way into décor, banter and even the menu.

Inspired by a medley of old watering holes, swanky bars and landmark eateries, our menu teases your palate with quirky South-Indian flavoured cocktails and delicious regional fare with a twist.

Experience South India on a plate, along with a drink. Or four. (And no, we're not just talking about rasam. Unless of course, it includes a dash of whisky!)

All in all, we're guaranteed to have you fully Bangalored!
So brethren and sistren, come forth and explore!

PLEASE NOTE THE POINT

Spirits & liqueurs are for 30ml measures. All our mixers are sold in cans (should do our bit for the environment, no?), and are only charged (full kindness) at the list price plus taxes.

T.P.R. COCKTAILS

Our signature cocktails are inspired by the 'potent' taste of South India's exotic spices and natural produce, and more importantly, the emotion these flavours evoke.

So explore the South with unique drinks that are mixed, muddled, stirred or kullukified (read: shaken) to cause a delightful explosion on your taste buds and head, of course!
